## ANNOUNCEMENTS

### ImmunoHackathon

Thank you to all for a great launch to our first annual ImmunoHackathon!

We have created a Microsoft Teams Channel to facilitate the formation of teams. Those who registered for the Launch will be added to the channel.

Those who missed the Launch Meet & Greet but would like to participate, please let us know via e-mail at [immunoengineering.create@ubc.ca](mailto:immunoengineering.create@ubc.ca). **ImmunoE students who missed the launch can still participate in the Hackathon and present at Pitch Day in November to fulfill the PS6 requirement.**

### Mentorship Groups

Mentorship groups for the first cohort of ImmunoE students have been formed! The first meeting with your industry mentors will take place in early June.

## UPCOMING EVENTS

(All dates and times in PST)

DATE	EVENT	LINK	Fulfills ImmunoE requirement*
<b>May 30</b> 3:00-5:00 pm	<b>EDI and Knowledge Systems: Why Indigenous Science?</b>	No RSVP required	N/A

\*Participation in this event counts towards the listed ImmunoE Trainee Certificate requirement

### EDI and Knowledge Systems: Why Indigenous Science?

**Date & time:** Fri, May 30 | 3:00 – 5:00 PM

**Location:** LSC3, Life Sciences Centre, UBC (2350 Health Sciences Mall, Vancouver)

**RSVP:** No RSVP required

**ImmunoE Certificate Requirement:** Not applicable

Please join us for a joint EDI seminar “**EDI and Knowledge Systems: Why Indigenous Science?**” presented by **Dr. Myrle Ballard**, co-hosted by EDI committees from the Departments of Microbiology and Immunology, Biochemistry and Molecular Biology, and Cellular and Physiological Sciences.

**Join us!**

For **trainees** interested in contributing to ImmunoT, please e-

For **trainees** interested in contributing to ImmunoE, please email [immuno.therapeutics@ubc.ca](mailto:immuno.therapeutics@ubc.ca).  
We are currently recruiting trainee committee members and co-chairs for September 2025.  
For **trainees** interested in joining the [NSERC CREATE ImmunoEngineering training program](#), our 2025 intake will be announced soon – stay tuned!

**Faculty** and **industry** members wanting to contribute to ImmunoE, please email [immunoengineering.create@ubc.ca](mailto:immunoengineering.create@ubc.ca).  
Please send **items for the newsletter**, such as papers published, to [immuno.therapeutics@ubc.ca](mailto:immuno.therapeutics@ubc.ca)

Thank you!

Best,  
**ImmunoT & ImmunoE Team**

\*If you no longer wish to receive these notifications please let us know via email, and you will be removed from the ImmunoT email list\*
